

I would like to express to the FCC the importance of keeping K-LOVE radio broadcasts transmitting via the FM translators. K-LOVE has made a profound impact on my life and on the lives of many others in my community. I support this radio ministry financially and would be greatly disappointed if I could not even listen to it. This station promotes a sense of hope and peace in a troubled world. I believe they provide a message of love and fellowship that can greatly benefit any community. If K-LOVE were to be displaced by an LPFM, then a light will be turned off in our community and replaced by something far less valuable. Thank you.
